Dear Ms. Stotts,

We are reviewing the inspection report so that we can respond appropriately and it seems we did not receive the attachments that were identified in pages 21 and 22 of the inspection report. Most of the items are labeled with a document number, which we have, but we do not have copies of the following attachments:

A-5 – Google Earth Pro maps

B-2 – 2010 Census Data from CAPS

B-3 – 2010 Census Data from Marplot

Can you provide these to me?

Thank you,

-Neal

Mr. Barkley,

There is no deadline for you to respond to the inspection report. The inspection report letter is to give you an opportunity to add to your response to the preliminary findings, should you choose to respond. Please disregard the date in the previous email.
